## **GENERAL PRESENTATION**

This meeting takes place under the second component of the Euromed Justice III project on “Resolution of cross-border family conflicts.” The objective of this activity is the validation of the Research Report on “Current situation in the ENPI South region and comparative review of national experiences in the field of resolution of cross-border family conflicts” drawn up by the main short-term expert in charge of this Research Report.

The validation meeting will be a plenary session. Given the high-level profile of the participants, the representatives of the ENPI South partner countries should have an active role during the discussions. It would be advisable that the participants who take part in this meeting, and are involved in this activity, are the same persons who answered the questionnaire or helped in doing so in their country.

## **PROFILES OF THE EXPERTS FROM THE BENEFICIARY COUNTRIES**

Three (3) representatives per ENPI South partner country.

Profile: Good knowledge of Family Law and International Family Law; Good knowledge of Cross-Border Family Conflicts; Good knowledge of the topics to be addressed (distribution of competences between religious and civil jurisdictions, legal basis for direct judicial communications in this field, the processing of international applications concerning contacts by courts and other relevant authorities, etc); Capacity to provide the external expert with the required information; Familiarity with judicial cooperation projects. If possible, good level, in written and spoken, of English or French (at least the written communications/contributions, if any, should be in English or French).

## **WORKING LANGUAGES**

The working languages of this validation meeting will be English, French and Arabic, with simultaneous interpretation throughout the meeting.
